

Enjoy One Great Day of Golf, Support Two  
Worthwhile Organizations

---

## CR3 Diabetes Association, Inc.

CR3 Diabetes Association was established in 1998 to fill an important need that was not being met by other diabetes organizations. This Triangle based association provides free medical and monitoring supplies to diabetics who are uninsured or underinsured.

Diabetes is one of the nation's most deadly diseases, affecting more than 21 million Americans. Those who suffer from diabetes must constantly monitor their blood sugar and insulin levels to maintain a healthy lifestyle. Testing supplies are expensive and often unaffordable to those with inadequate health insurance.

Since its founding, CR3 Diabetes has provided \$1,700,000 worth of diabetic medical supplies, including insulin pumps, to individuals affected by diabetes. Proceeds from the Golf Classic will help diabetics control this deadly disease.

## The Rotary Club of West Raleigh

The Rotary Club of West Raleigh, chartered in 1954, is an active service organization that provides volunteers and financial support to a wide range of educational and humanitarian projects. Proceeds from the Golf Classic have traditionally supported the following programs:

- Rotary Readers Program at Lacy Elementary School
- Wake Tech Scholarship
- Stop Hunger Now
- Meals on Wheels
- Alexander Family YMCA
- Back Pack Buddies
- N.C. State University Center for Leadership Alternative Spring Break
- Fuller Center for Housing
- Step Up Ministry
- Mariam Clinic
- Read & Feed

**Since 2005, the Golf Classic has provided \$230,000 to support these and other important programs.**
